P R O F I L E   S U M M A R Y

As an entry-level front-end developer, I possess foundational skills in HTML, CSS, and JavaScript, coupled with a keen interest in mastering React.js. Eager to contribute to dynamic projects, I am committed to continuous learning and dedicated to creating engaging user interfaces.

P R O J E C T

Project - 1
E-COMMERCE FURNITURE SELLING WEBSITE
(HTML, CSS, JAVASCRIPT,REACT JS)

- Created a React.js-based furniture e-commerce platform with dynamic catalogs and secure payment features.
- Designed visually appealing and responsive interfaces using HTML, CSS, and React.js.
- Implemented efficient state management and component reusability for improved scalability.
- Collaborated within a team, engaging in code reviews and delivering solutions within agile methodologies.

Project - 2
CALCULATER
(HTML,CSS,JAVASCRIPT)

- Developed a fully functional calculator using HTML for structure and CSS for styling, showcasing an intuitive and visually appealing user interface.
- Ensured a seamless user experience across devices through responsive design principles, optimizing the calculator for desktop and mobile platforms.
- Implemented complex arithmetic and functional logic in JavaScript, demonstrating problem-solving skills and manipulation of the Document Object Model (DOM).

S O F T   S K I L L S

1.**Communication**: Effective communication to facilitate collaboration and understanding.
2.**Teamwork**: Strong team player with a history of successful group contributions.
3.**Adaptability**: Quick to adjust and thrive in changing environments.
4.**Problem-Solving**: Proactive in identifying and resolving complex issues.
